VT is very contagious.

When people visit Vermont, they return again and again. Maybe it's the cool mountain lakes or America's most beautiful Fall foliage. Or maybe they come back for the Northeast's best ski areas. When people come to the Andrews Inn, we see them again and again. Is it because our inn is the most congenial gay resort they've ever been to? Or is it the disco, the Saturday gourmet dinner in front of the fireplace? Come see for yourself...

Catch us this weekend!

FOUR SEASONS

Thank you for your interest in the Four Seasons, a pension. We are a private home with a variety of accommodations located in the San Bernardino Mountains between Lake Arrowhead and Big Bear, in a town called Arrowbear. This area is a year around playground. In the winter you have several ski areas in the immediate locale. We are three miles from the largest ski resort, Snow Valley. All other winter sports are available on the mountain.

In Summer we have boating, water skiing, fishing, and a large lake within walking distance for swimming and sunning.

Spring and Fall offer you great hiking and picnicking. The squirrels, chipmunks, and wild birds will beg food from your hand.

Our Pension is a newly-constructed home which can offer you all modern conveniences of the day combined with the charm and peacefulness of the mountains. Sit on our deck or in front of our roaring fireplace and feel at home. Our resident cook has had years of cooking experience and can please almost every palate.

The Four Seasons is a back-to-basics place where you can relax alone and enjoy all the natural beauty of our mountain top or bring that someone special and renew your feeling. We offer you good times, good food, good atmosphere, and good friends. Your meals are included, but we regret that we cannot meet your liquor needs. We ask all of our guests to bring whatever liquor they require, and we will take care of the mixes.

Your Host,

Ray
